Where

2 Hotels in 1 street: Ibis Centre & Mercure Centre

Ibis Styles Nantes Centre Place Royale

[3 rue Couedic, 44000 NANTES, France](#)

Mercure Nantes Centre - Grand Hôtel

[4 Rue du Couedic, 44000 NANTES, France](#)

Rue du Couedic is located very close from the downtown square « place du commerce » (crossing of tramways 1/2/3) rather easy to access.

When arrived by train, go to sortie Nord, then tram 1 (direction François Mitterrand/Jamay) 3 stops (exit at Commerce) or walk (approx. 20 min – 1.7 Km) follow the rails direction downtown (left when going out of the station)

When arrived by plane,

Option #1 take the shuttle (9 Eu) to terminus (close to Commerce). Try your best French and ask how to go to “place du commerce” (5 min walk)

Using full public transportation can be cheaper (1 ticket approx. 2 Eu) but trickier. I do not recommend though it is not expected to be more than a waste of time. There is so much to discover in Nantes, stay focused!

Option #2 take a cab (40 Eu approx.).

Where

Meeting venue @ CCI (Chambre de commerce et d'industrie)

CCI Nantes St Nazaire – Centre des Salorges

[16 Quai Ernest Renaud, 44100 Nantes](#)

Option #1 Tram 1 – stop @ Gare Maritime 3 stops from Commerce, might be crowded at 8 am ...

Option #2 Walk down the Loire River (beware of the tides on the Loire River)

NB transportation tickets are not included but are less than 2 Eu for a one-way one-hour ride.
